

## Office Depot, Inc. Announces Major Redesign of Its Mobile App, New Features Focus on Convenience and Personalization for Customers

October 6, 2015

*Enhancements Offer Improved Omni-Channel Experience for On-the-Go Shoppers*

BOCA RATON, Fla.--(BUSINESS WIRE)--Oct. 6, 2015-- Office Depot, Inc. (NASDAQ:ODP), a leading global provider of [office products, services, and solutions](#) and parent company of Office Depot and OfficeMax, today announced a major redesign of its mobile App for iPhone and Android smartphones, available for free in the [App Store](#) or [Google Play Store](#), with new features that focus on convenience and personalization while providing a better omni-channel shopping experience for customers.

Redesigned specifically for on-the-go shoppers, this mobile app has a brand new look and feel, offering a simple-to-navigate home page that's also personalized. Users can find a nearby retail store; research products while in store; access order history, receive alerts for offers and messages; and redeem OfficeDepot@OfficeMax® reward certificates via the app or in store, among other benefits.

"We involved our customers in every phase of the process, and the new Office Depot app reflects what's most important to them," said Kevin Moffitt, vice president of eCommerce at Office Depot, Inc. "Our customers tend to be busy professionals, and our focus is providing a personalized experience that makes shopping as convenient as possible."

The new Office Depot application update was developed to include the following features:

- **Enhanced Home Page:** Users can quickly access previous purchases for reorder, track orders in real time, and save favorite deals or offers for later. Also, users have the ability to search for the nearest retail store or quickly find ink or toner for printers saved on the app.
- **Personalized Experience:** The home page features categories and products based upon shopping history, making it simple for users to discover new Office Depot products. With frequent use, the experience becomes even more personalized.
- **Message Center:** All Office Depot order notifications, deal alerts and messages are saved in one convenient location for easy access while on-the-go.
- **Apply Reward Certificates at Checkout:** Users can redeem any Office Depot®OfficeMax® reward certificates in store by showing it to the associate via their smartphone during checkout.
- **Print Services Option:** Users can easily upload a document and then print it at any Office Depot or OfficeMax retail store.
- **Updated Store Mode:** Research products while in store and view deals or offers specific to the user's chosen location.
- **Store Locator:** Find the nearest store and quickly view hours for that specific location on the home page.
