Unlike traditional furniture dealers, *Workspace Interiors by Office Depot* brings together expertise in space planning, furniture specification, project management and reliable installation. By combining those services with a broad selection of furniture from major manufacturers, *Workspace Interiors by Office Depot* gives business customers an exceptional solution. It blends the resources of a North American brand with support from more than 350 local service representatives.

Workspace Interiors by Office Depot has the breadth and depth of products and services that allow flexibility to meet client needs across vertical markets, including the education, legal, healthcare and government sectors. This innovative combination of offerings, available at WorkSpaceInteriorsOD.com, simplifies the way businesses plan their office spaces and furnish their facilities.

"As our business customers look to expand or reinvent their corporate spaces, we're pleased to provide innovative solutions for them," said Steve Calkins, executive vice president, business solutions division for Office Depot, Inc. "*Workspace Interiors by Office Depot* demonstrates how we continually strive to add value for our customers."

Office Depot also announced a partnership with Inscape, an award-winning designer and manufacturer of office furniture for over 125 years.

"We are proud to have *Workspace Interiors by Office Depot* as a premier partner in North America," said Jim Stelter, chief executive officer, Inscape. "The combination of our innovative product collection with their expertise and distribution network enables us to deliver better workplace solutions for clients."
